# 18<sup>th</sup> ENGINEER BRIGADE

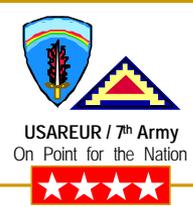

**“The 18<sup>th</sup> Engineer Brigade (Theater Army) is deploying in the European Command AOR in support of U.S. Central Command to support the global war on terrorism and to prepare for future contingencies as may be directed. The President of the United States has made no decision about any future military operations. These deployments are prudent steps to increase military capabilities and enhance flexibility.”**

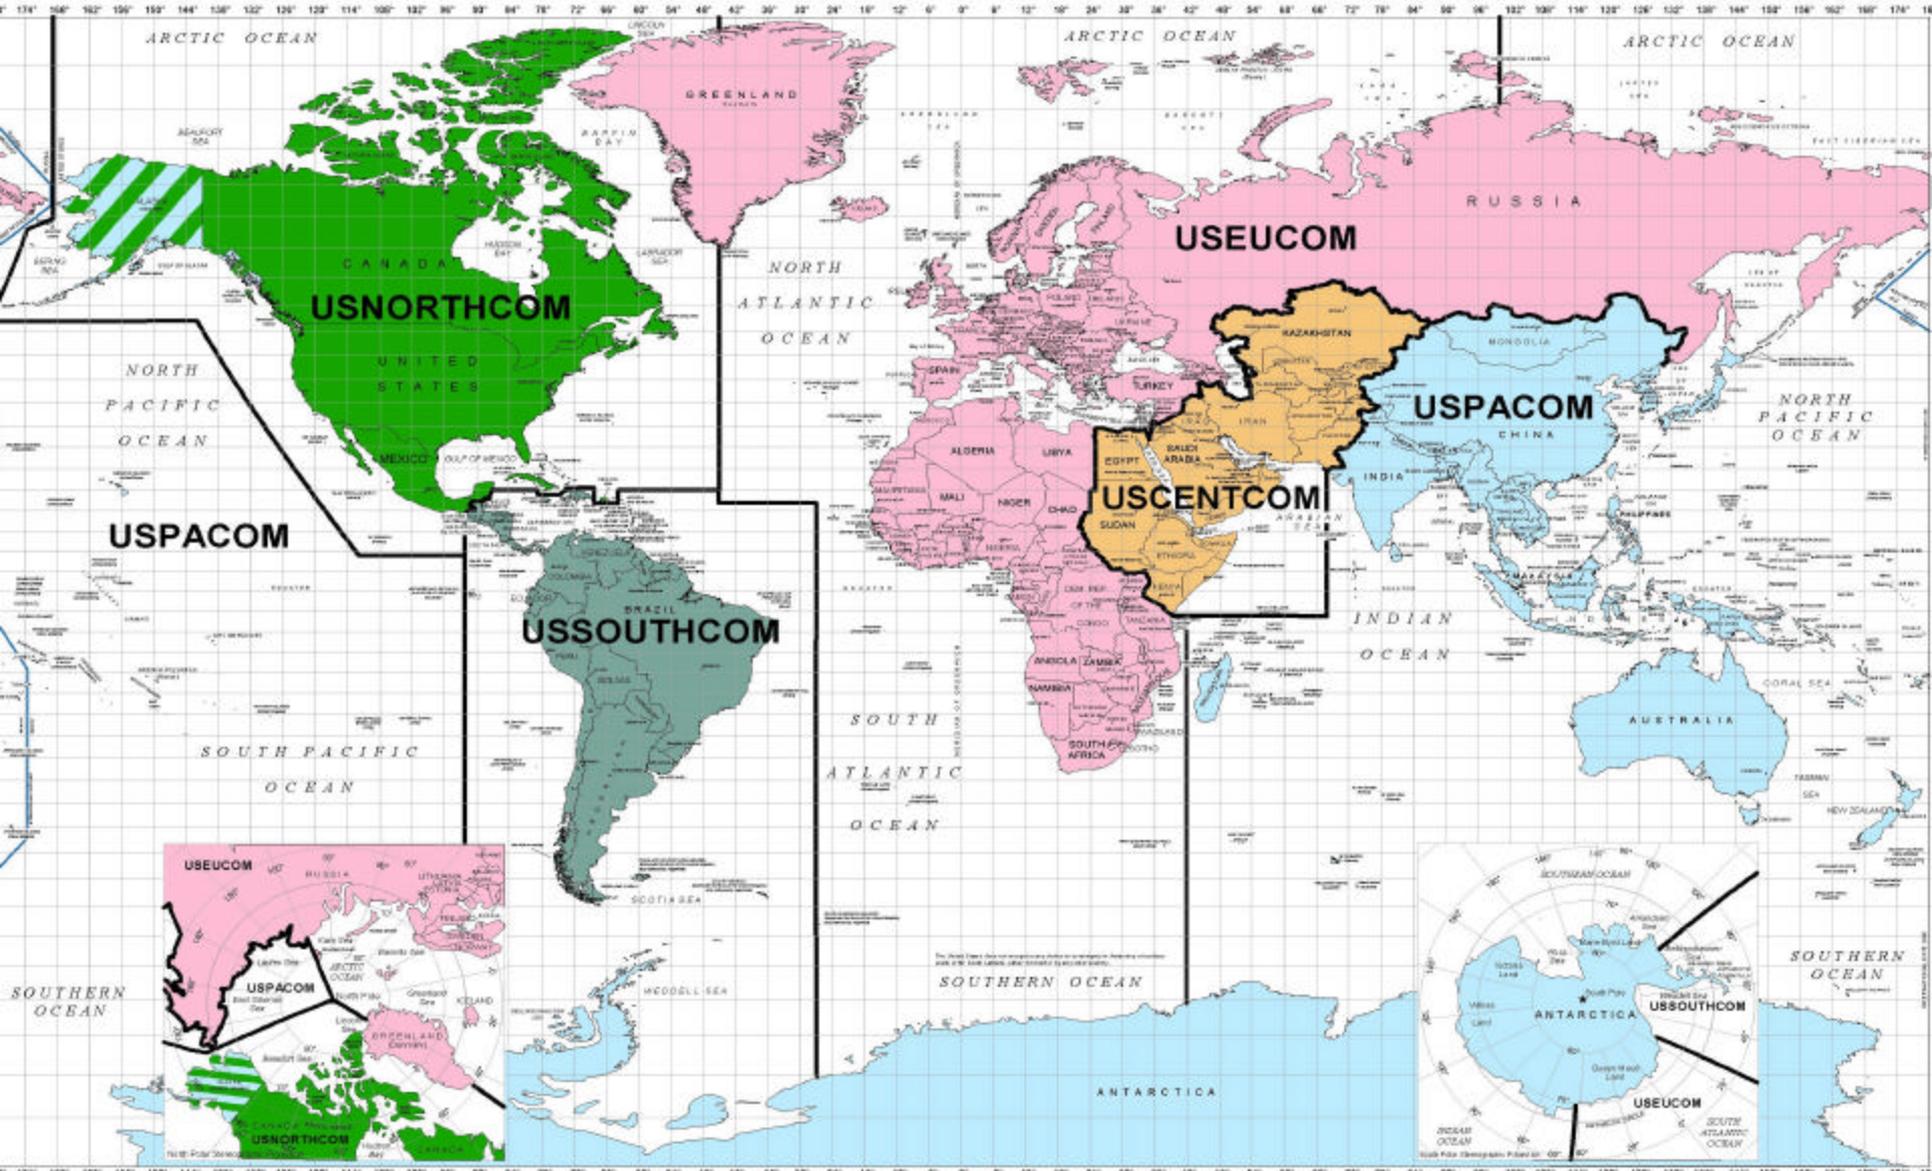

# DEPLOYMENT

- **The unit has received a deployment order and will deploy to a location in the EUCOM Area of Operations in support of Operation Enduring Freedom.**
- **Right now we do not know the date and we are unable to give a location, due to political and security reasons.**
- **As soon as we can provide you more information we will.**
